

SUSTAINABLE  
ENERGY FOR ALL

# **SUSTAINABLE ENERGY FOR ALL**

---

Africa EU Energy Partnership High Level Meeting,  
Addis Ababa 13 February 2014  
SRSG Kandeh Yumkella

# Why Energy?

“Energy is the golden thread that connects economic growth, increased social equity and an environment that allows the world to thrive.”

*-- UN Secretary-General Ban Ki-moon*

“Ending poverty and ensuring sustainability are the defining challenges of our time. Energy is central to both.”

*-- Jim Yong Kim - World Bank Group President*

# Political Achievements

- The GA resolution on the “Decade of SE4All”, December 2012 (A/RES/67/215)
- Three resolutions from Second Committee in December 2013 empowering the SG to coordinate the decade using "existing resources" and "extra-budgetary resources".
- Successfully embedded energy in post-2015 development agenda (not sure of energy SDG yet)
- Successfully revived the “Friends of Sustainable Energy” group in NY with over 20 members
- The World Bank energy strategy adopted in June 2013 based on the 3 targets of SE4All
- IRENA Assembly adopted the SE4All target #3: “Doubling the share of RE in the global energy mix” in 2013

# Country Actions

- **83** Countries have “opted in”
- **43** Countries Rapid Assessment/ Gap Analysis
- **30** “Focus” Countries to show results 2014

**Goal:** Ensuring Coherence in Country Engagement → Showing Results  
← National Leadership

## Country Action Reference Document:

- Partnership Principles - how to engage
- Country Action Agendas – link to SE4All three goals
- Investment Prospectus (es) – leverage investment
- Reporting and Tracking – tell the story

# Institutional Arrangements

- The SE4All Global Facilitation Team (GFT) has been established in Vienna and New York
- The oversight structures of SE4All have been fully established:
  - Executive Committee
  - Advisory Board
- The AB organized into 4 standing committees:
  - (i) Finance
  - (ii) Energy Access
  - (iii) Renewable Energy
  - (iv) Energy Efficiency

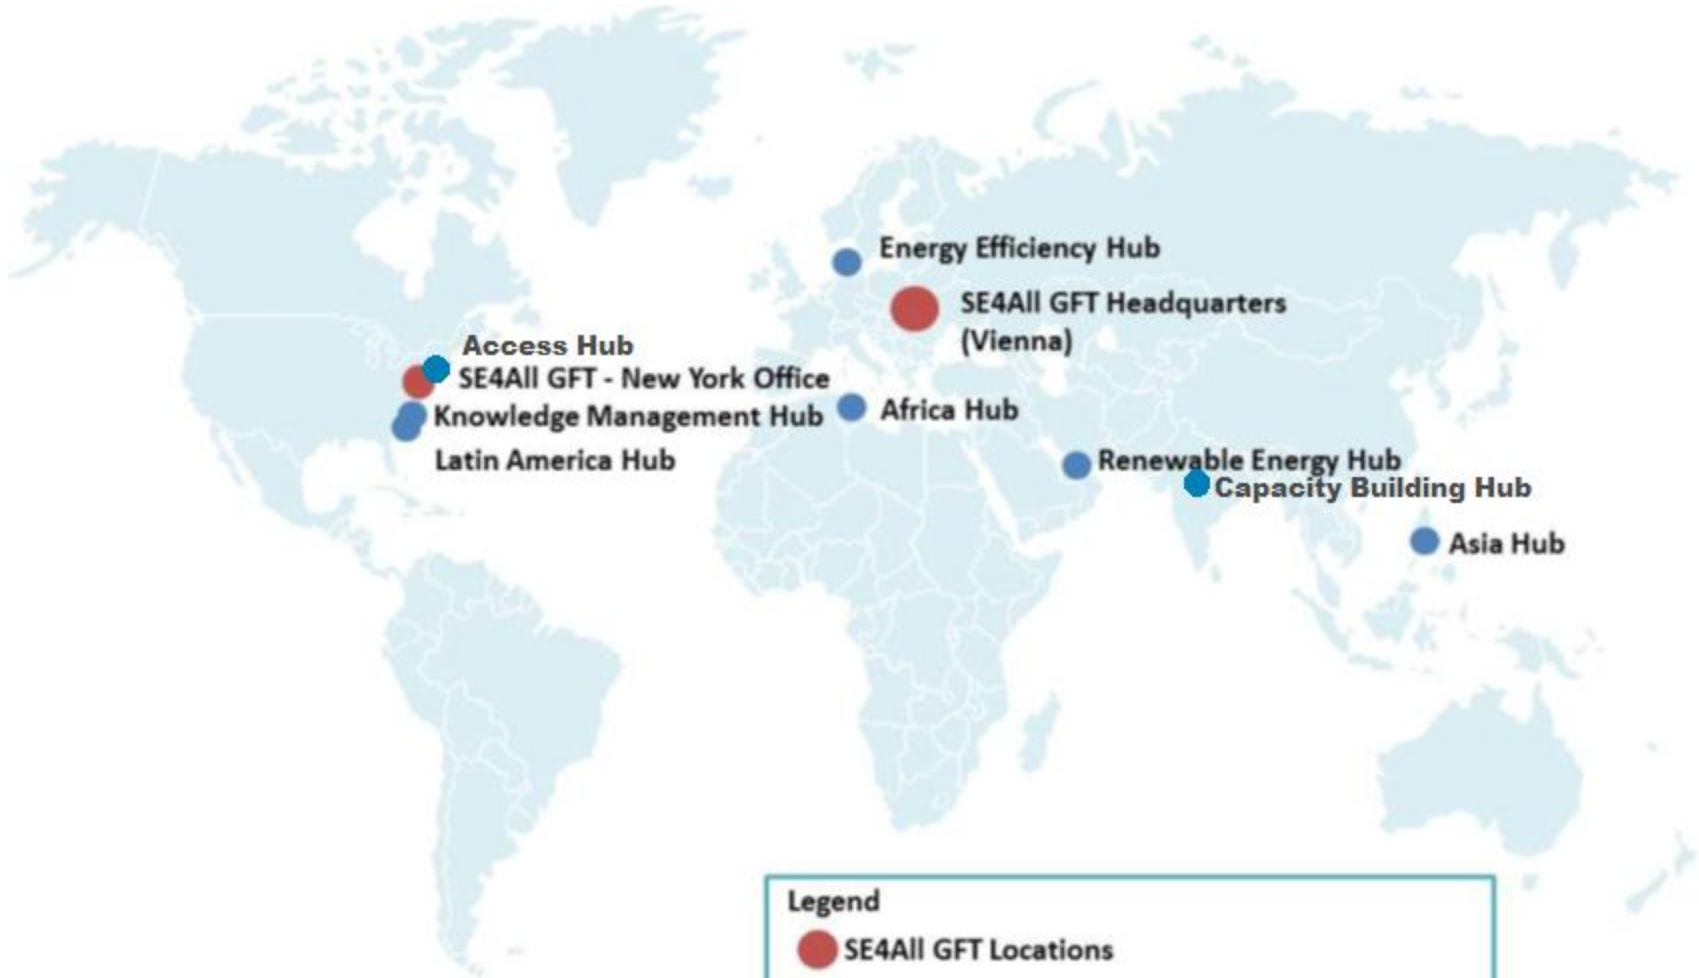

# Institutional Arrangements

Eight SE4All Hubs have been established, namely:

- i. Africa Hub in the African Development Bank
- ii. Asia Hub in the Asian Development Bank
- iii. Latin-America Hub in the Inter-American Development Bank
- iv. Energy Efficiency Hub in Copenhagen
- v. Renewable Energy Hub at IRENA, Abu Dhabi
- vii. Knowledge Hub at the World Bank, Washington
- viii. Bottom Up Access Hub at UNDP, New York
- vi. Capacity Building Hub at Energy and Resources Institute, Delhi

# Map of the Initiative

**Legend**

- SE4All GFT Locations
- Proposed Regional and Thematic Hub Locations

# Communicating

New Website launched [www.se4all.org](http://www.se4all.org)

Global Tracking Framework launched [www.worldbank.org/se4all](http://www.worldbank.org/se4all)

Collaboration Platform under design → interactive user space

- by country
- by HIO
- by development partner
- by Hub
- by constituency
- by event

# Key Milestones in 2014

- Launch of Decade of Sustainable Energy for All
  - Sustainable Development Summit
  - EU- Africa Energy Ministers Meeting
  - World Bank Spring Meeting
  - Clean Energy Ministerial
  - AfDB Annual Meeting
  - Advisory Board Meeting
  - SE4All Global Meeting
  - AsDB Annual Meeting
  - World Water Week
  - GA Special Session on Climate Change
  - Advisory Board Meeting
  - COP20
  - Post MDG framework
- Abu Dhabi, January  
New Delhi, February  
Addis, February  
Washington, April  
Seoul, Korea, May  
Kigali, May  
New York, June  
New York, June  
Manila, June  
Stockholm, September  
New York, September  
Vienna, November  
Lima, December  
New York, December
